Old Business

- TR 449- Service Garage (\$5065)- Chairman Williamson made a motion to pay the bill which was seconded by Sup Grenell. All three supervisors in agreement. Supervisor Conti said the debris was removed and the road is in satisfactory condition.
- Driveway Spraying- Supervisor Grenell would like to spray/seal the driveway. Supervisor Conti got a quote from Rippey's of Lock Haven for \$2175. Supervisor Grenell will reach out to Bill Bower of Renovo for a second quote.
- Resolutions (Bug Spraying and Spring Cleaning—updating to not include a specific year). Resolutions 0416A of 2026 and 0416B of 2026 signed by supervisors.

New Business

- Grugan Township Comprehensive Plan- According to Chairman Williamson, each municipality should have a plan on file. It includes details about the roads, zoning and population. He started working on it and we will review it at the next meeting. Once finalized we can add to website.
- Building Permits Process- The county takes care of the zoning permits for our township. Grugan is an opt-out municipality for building permits. As an opt out municipality, residents who build must get their own building permit from a third-party company. Once they do that, they should provide a copy of the permit to the township.
