Public Comment

Barbara Morrow- Ms. Morrow said that she is thankful that the ATV signs were installed. She inquired about future road projects. Ms. Morrow also reported to the township supervisors that she witnessed maintenance on the Hyner River Road by Robert Maguire. The supervisors indicated that the township did not receive any funds to do work on the road and that he was not authorized to do so.

Jeremy Wible- Mr. Wible shared concerns about the restaurant/hotel property known as Fibber's and Heavy's in the past. Prior to it being purchased by the current owners the Grugan Township supervisors were considered an ordinance prohibiting exotic dancing clubs/adult entertainment in the township. Mr. Wible would like the supervisors to consider an ordinance restricting them. The supervisors were willing to discuss having an ordinance created to do so. Eric Williamson made a motion to reach out to the solicitor with Supervisor Conti seconding it.
